

CLEANBURN DROP IN FLUELESS BURNER

Safire Drop in Gas Fires is an undeniable example of premium South African Design and has forever changed the way of thinking when it comes to heating. Our drop in gas fires are designed to amaze, enchant and warm up your winters. Available in six different lengths and fitted with virtually odourless combustion technology. There are two material finishes to choose from, Stainless steel or Black steel. These burners can literally be used in any setting imaginable. No chimney is required as the burner is fitted with a flame failure device and Oxygen depletion sensor. Enquire about Remote Control pricing. These models come standard with a Naked flame Burner. Wood Log set, Black Lava Rock or Crushed White River Stones can be added as an optional extra.
