

WALLART BRAAI

Our outdoor barbecue cooker, draws its inspiration from the Wedge-tail Eagle, tough and durable, built for the Australian climate, made from stainless steel and coated in an additional black weatherproof coating in honour of its name sake. With all the very latest in cooking attachments to make your outdoor barbecue come alive with recipes you've always wanted to master. Indoor or outdoor, the 430 Grade stainless steel will be your go-to material. Not only does it have strong corrosion resistance capabilities but its perfect for Indoor or undercover use at the coast and ideal for both indoor and outdoor use 20km's from the coast.
